

Dear Friend,

The Rocky Mountain Flycasters chapter of Trout Unlimited and The Federation of Fly Fishers is pleased to announce a very special event in celebration of America's trout and salmon waters. I cordially invite you and your guests to join the fun by attending our Annual Banquet Saturday, February 22, 1997, at the University Park Holiday Inn in Fort Collins. Our social hour starting at 6:00 PM will begin the evening. Dinner will follow at 7:30 PM. This year's featured speaker is Marty Cecil, Fishing Director of Elktrout Lodge, located on the Colorado River, and an Orvis Endorsed Guide of the Year.

You'll find our Annual Banquet a celebration indeed, with exciting raffles in which you control the odds, a unique silent auction for you bidding sleuths and a lively verbal auction designed to offer something for everyone.

The prizes our guests will take home are truly outstanding — the finest in state-of-the-art angling tackle, with trade marks like G. Loomis, Sage, Scott, Abel, Ross, Simms and many more.

But that's not all. We select our prizes very carefully — to appeal to anglers and non-anglers alike. There should be something of interest to all who attend.

Tickets are available at Bob's Fly Tying Specialties in Loveland, Garretson's Sports Center in Greeley, as well as Rocky Mountain Fly Shop and St. Peter's Fly Shop in Fort Collins. If you can't make it to one of these locations before the banquet, please call Tom Post or Jeff Stone at 498-8968 and we will either mail you the tickets or make sure they are on will call at the door on the night of the banquet.

Ensuring the future of America's trout and salmon waters is a responsibility we in Trout Unlimited and The Federation of Flyfishers take very seriously. Because I know you share this commitment, I hope you will accept my invitation to share this special celebration. Join me in an evening of fun, camaraderie and conservation fundraising — together we can ensure a brighter future for fly fishing and America's cold water fisheries!

Very sincerely yours,

Tom Post  
President, Rocky Mountain Flycasters

PS — Please don't hesitate to call me if you have any questions concerning the banquet.
