

No Chapter Gatherings This Summer; Get Out And Volunteer

President's Note

Welcome to the June newsletter.

Runoff is on and most, but not all, of our rivers are blown out. Talk to your fellow members and they might tell you where the fishing is still on. Both the North Fork of the Poudre and the upper Poudre above Black Hollow fall on my short list.

Our Chapter has been doing great work and it is being recognized at community, state, and National levels. This year we have been awarded the **CTU Exemplary Chapter** as the top Chapter in Colorado. This month we were also notified that we received the **Larimer County Environmental Stewardship Award** in recognition of our PHP efforts. And to top it off, I recently was notified that RMFTU has been selected as the **TU National Gold Trout Award Chapter** recognizing us as the #1 chapter in nation. This is a testament to the outstanding volunteers we have in this chapter who enable us to achieve great things.

We don't have a meeting this month, but we are having a raffle for a Ross PHP Greenback Reel.

Vince Herrera's St. Petes Fishing Report

May was a stormy month, and hopefully the trend continues so we have plenty of water in our rivers as the year progresses. Check out the latest report from Vince at St. Petes Fly Shop where we talk about Trout, Bass, and Carp to help expand your horizons and keep your rod bent throughout the year. - *Vince Herrera*

Stream Monitoring Workshop

RMFTU will hold a Stream Monitoring Workshop from 1 - 4 PM on June 10 at the Innosphere located at 320 E Vine Dr, Fort Collins, CO 80524. The Workshop Program will include speakers from RMFTU, the US Forest Service, the Coalition for the Poudre River Watershed, and more.

If you're interested in learning more about RMFTU's citizen science Stream Monitoring Project, you'd like to sign up, or have questions about the event, follow the links below. See you on the stream. - *Phil Wright*

St. Petes to Sponsor RMFTU Youth Camp

Many of you know and love St. Petes Fly Shops in Fort Collins. It's where many of us go to get our gear and fishing information. Great news has come once again from the shop as Owner Grant Houx has raised his hand to sponsor our Youth Camp this summer.

Events Team Member Needed

RMFTU supports several events each year, and we are hoping to find a new and eager person to join our Events Team. If you enjoy meeting people and talking about fishing and all the great things our Chapter does, this will be a fun volunteer opportunity for you. All events are just one day tops.

You ask, what does it involve? Here's an example: at the Poudre River Fest, 2-3 people pick up our booth from our storage unit, get it set up at New Belgium Brewing by noon, then hand out brochures and talk fishing and conservation for a few hours. If you're new to our Chapter, that's OK, as we always have 2 or 3 "old heads" that you can 'shadow'.

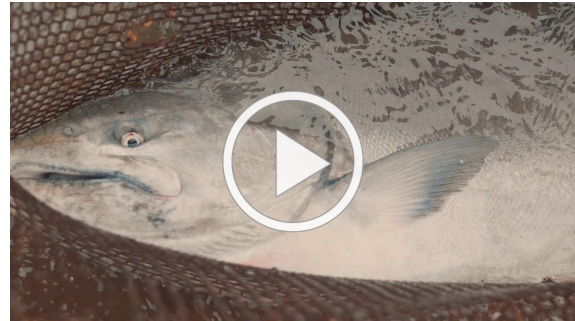

If you're interested email Mark Miller below.

Video of the Month

Alaska

Early June is when Alaska buzzes with energy. The sun is up 24 hours a day, the fish are starting to run, sockeye first, then chinook, and the summer lies ahead. Enjoy this snapshot; it's a special place.
