

Chapter Gathering: 6:30 pm Wednesday March 15 at Mash Lab Brewing

President's Note

I know everyone is really looking forward to getting out on the water and that some of you hardy souls are out there fighting icy guides now. Most of us are waiting for ice out though. To get us all ready for fishing, March is jam packed with exciting events.

We have the Pub & Dub this tonight, which is always fun. We're going to have the Trout Expo on March 11th that will get us all psyched up for chasing our favorite fish (hint, it's in the name), and to make things even more fun, our March Chapter Gathering will be at the Mash Lab Brewery in Windsor. We can drink beverages, listen to a speaker, and tell some fish tales.

I'm looking forward to seeing everyone this month and getting us ready for the upcoming fishing and conservation project season.

What's the Deal with the Proposed Pebble Mine?

In more national news, Trout Unlimited has been a loud and persistent voice in opposing the proposed Pebble Mine Project in Alaska's Bristol Bay. Last month, their work paid off as the EPA sidelined the project for good!

Vince Herrera's St. Peter's Fly Shop Fishing Report

March is finally rolling into the Front Range and a lot of us are feeling the effects of cold, cloudy, snowy days. After hours on the vice and several full boxes later I am finally ready to get out to find some open water and warmer temperatures. It won't be long! Check out the latest fishing report and upcoming events from St. Peter's Fly shop:
